

JOHN OLSON / SOFT GOODS

THE TRUCKER
The trucker cut means this jacket can be dressed up with tailored trousers or down with denim. The green hue means you'll catch some envious stares.
Tadpole (S999)

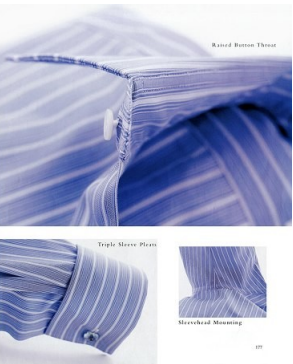

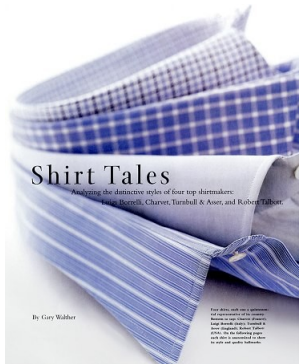

THE G-1
A quilted lining and plush shearling collar make this G-1 flying-jacket style a luxurious yet toasty choice for deep-winter months.
AIM (S2,315)

THE SLIM BOMBER
Glove-soft suede in navy blue gives the classic bomber style a sharp modern edge.
Offshore (S1,375)

THE BIG SOFTIE
Made with supple calfskin, this caramel model features pocket edges that mimic the effects of age.
Michael Kors (S2,995)
